

Enjoy spa-like, chlorine-free water

- Filtered, chlorine-free water at every faucet
- Bath or shower without a swimming pool odour
- Soft skin without itching
- Protects laundry from premature fading
- Protects softener, appliances and fixtures

What makes the Crystal ChlorStop Superior?

- Effectively Reduces Chlorine
- Wastes No Water
- Reliable, Non Electric
- More Effective than Mixed Beds

Crystal ChlorStop

Features

Whole House Chlorine Reduction

Non-Electric

Reliable. No timers or computers to set, adjust or repair.

No Water Waste

This up-flow design requires no backwashing water

Designed for High Flow Rates

More effective than whole-home filter cartridges or adding carbon to a softener

Fiberglass Reinforced Media Tank

For extra strength with 10-year warranty

Simple, Reliable & Economical Operation

Easy-to-use Bypass Valve

Warranty

5 yrs - In/out and bypass valve

10 yrs - Media tank

Benefits

- Filtered, chlorine-free water at every faucet.
- Soft skin without itching
- Bath or shower with odour-free water
- Prevents hair from drying out and premature hair colour fading
- Protects softeners from premature resin failure
- Protects rubber & plastic parts in fixtures & appliances from deteriorating
